David and Randall- I am counsel for the Intervenor (as that term is used in the HOD) issued on July 5<sup>th</sup>. The HOD instructs the Companies (again as that term is used in the HOD) to update the Commission by July 23<sup>rd</sup> with respect to the status of the progress of negotiations. I am writing on behalf of the Intervenor, and with the support of the Companies, to request an additional week of time (until July 30<sup>th</sup>) to provide said update. These parties (Companies and Intervenor) are still negotiating, and these additional time would facilitate same.

I am not exactly sure where the ORS sits on this, but hope they will weigh in. I am on a break from a deposition and have not had the chance to contact counsel for the ORS. I understand counsel for the Companies has reached out to the ORS in that regard.

Thanks for your consideration of this request, and let us know what else you might need.

Jack Pringle
